MILLENNIUM SE

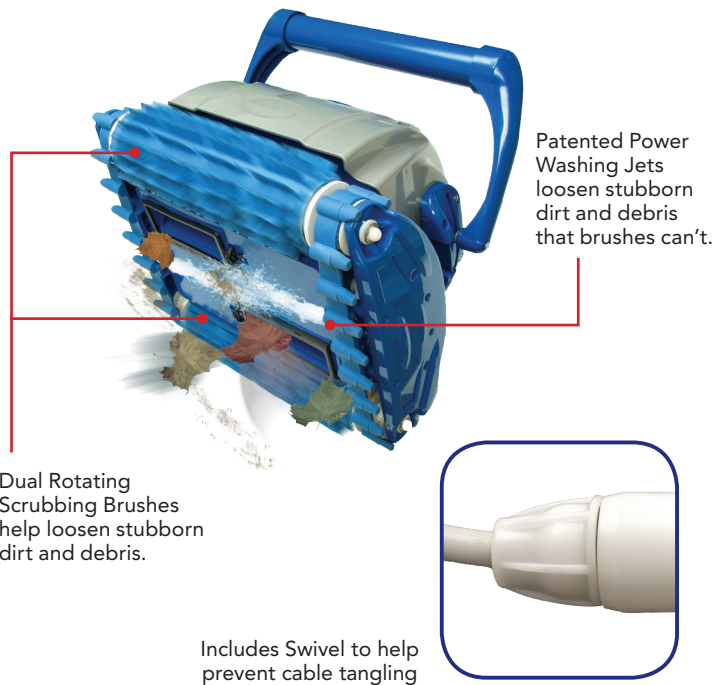

POWERFUL SUCTION. FAST CLEANING. ULTIMATE SIMPLICITY.

The Millennium SE is designed to clean residential In-Ground Pools of all sizes and surfaces. The SE moves through the water to automatically brush, vacuum and micro-filter dirt, debris and contaminants from the pool's floor, walls and waterline. The focus is on the pool basin, climbing once every fourth pass.

This cleaner is equipped with dual rotating scrubbing brushes to help loosen stubborn dirt and debris.
